

Join the ELGI 2026

**The European Lubricating Grease Institute (ELGI) was established in 1989 in Amsterdam with our main objectives:**

- Promote the understanding of Lubricating Grease
- Provide a forum relating to all aspects of the grease industry
- Encourage discussion between grease producers, suppliers and users
- Disseminate information on practical applications of Lubricating Greases
- Offer Educational Courses
- Joint ELGI-STLE Tribology Workshop
- ELGI Sustainability Technical Consortium
- ELGI Publication: Eurogrease Magazine
- Co-operate with organisations with mutual objectives

### **Established Working Groups**

Bio-base Greases	Railway Lubricants
Test Methods	Rheology
Grease Shelf Life	Grease Cleanliness
Food Grade Greases	Grease and the Environment Aerospace Lubricants
Fundamental Research	Packaging
Greases REACH Consortium	Electrical Contact
	Grease Training Course

Our members meet annually at our Annual General Meeting (AGM) to elect board members, ratify the ELGI Constitutional By-Laws and to exchange technology, understanding, usage present and future of all grease related issues. Our 36th AGM will be held in Rome / Italy 11th April – 14th April 2026. Over the past years our AGM has attracted record numbers up to 380 grease specialists representing all aspects of the grease industry.

The ELGI takes an active part in the annual worldwide Grease Production Survey. The information gathered during this exercise can prove invaluable to many organisations in their planning and marketing functions.

## **Eurogrease Magazine**

We publish a quarterly Digital Eurogrease Magazine. This publication contains membership news, views, advertisements and technical papers.

## **Training Courses**

Grease and grease technology is a complex subject. The ELGI will arrange regular Basic Advanced Grease Training Courses covering Base Oils; Thickeners; Production; Additives; Testing; Application; Food; Compliance; Trends.

## **Working Groups**

We host our Working Group Meetings bi-annually and the ELGI-STLE Tribology Exchange Workshop annually.

## **ELGI Sustainability Technical Consortium**
